Manufacturers, Exporters of Peanuts / Groundnuts Seeds

Shivam Agri Industries have been in the agri industries since more than 40 years. Since then the company has made deals with many foreign and domestic clients. Shivam Agri Industries always been focused on the quality of its products and services.

WE SERVE BETTER

About Us

Shivam Agri Industries was founded in 1980 by Bharat Kotadiya and Bhavesh Panchani in Keshod, Gujarat. Both having their roots in farming are highly experienced. In the beginning the company only used to deal in peanuts and distributed peanuts locally. To expand the business Mr. Maulik joined after completing studies. Mr. Maulik is a crucial part of Shivam Agri Industries as he is the Export Manager and handles most of the process for exporting products. We use high quality machinery to process our products so that we can ensure that we can maintain high quality standards by which our customers can be satisfied. Our plant has the latest machinery. With our best and sincere efforts Shivam Agri Industries ships products to 22 countries which includes United States of America, UAE, Germany, Australia, China and more.

Factory Setup

Shivam Agri Industries is a well-equipped organization, presently operating fully automatic/manufacturing & processing plants in addition to this, the company also has upgraded multi purposes Shortex Machine. Plant has production capacity 50 M.T. of groundnut seeds/day and We have our experienced and dedicated Worker for handling any kind of challenging work.
